Enter Keywords
Keywords are used to create a bid list that fits your business. You can edit keywords later after you log into BidSync.

Enter 3 keywords that will help tie your company to the commodity it serves. Click the + sign. A list of sample bids will appear.
Increase Bid Relevancy

Improve the quality of the bid list by letting us know if these bids fit your business preferences.

Bridge Replacement

This is where you decide if the commodity displayed is the type of solicitation you are looking to receive notifications on. If it matches choose the thumbs up if not the thumbs down.
